Creating a new way of doing business... Creating a new way of giving

EVERYONE IS AWARE OF THE TOUGH ECONOMIC CONDITIONS WE ARE EXPERIENCING RIGHT NOW.

THOSE IN OUR COMMUNITY WHO ARE THE LEAST FORTUNATE ARE SUFFERING THE MOST. THOSE WHO RELY ON THE GENEROSITY OF OTHERS ARE BEING HIT THE HARDEST. CHARITABLE ORGANIZATIONS EVERYWHERE ARE REPORTING THAT DONATIONS, AS WELL AS RESOURCES, ARE SUFFERING. HOWEVER, THE NUMBER OF FAMILIES WHO RELY ON THESE GIFTS IS INCREASING DAILY AS A RESULT OF THE ECONOMIC DOWNTURN.

MANY OF THESE PEOPLE HAVE NOWHERE ELSE TO TURN.

THE CORPORATIONS OF WESTERN PENNSYLVANIA HAVE HISTORICALLY BEEN AMONG THE MOST GENEROUS DONORS IN THE NATION.

THE CURRENT ECONOMIC CLIMATE IS FORCING MANY OF THESE ORGANIZATIONS TO SAY FOR THE FIRST TIME, "WE CAN'T DONATE AS MUCH THIS YEAR," OR WORSE, "WE JUST CANNOT GIVE AT ALL..."

It is hard to say no. AEC Group is making it easy to say yes.

Community support has always been a part of AEC Group's corporate identity. AEC Group continues to strive to give to the community where we live and work through direct financial support, participation on charity boards and support of the community in many ways. We realize it may be difficult for many of our business partners to continue giving as they have done generously for so many years. This is why AEC Group is starting this program.

**AEC Group will make a donation
in your company's name to the charity of your choice
for every person hired through our staffing division.**

- 10% of full-time placement fees
- \$0.50 per hour temp placement fees

This adds up to \$1,000 per person annually for temporary staffing and potentially thousands of dollars in placement fees donated to the charity of your choice.

It's a new way of doing business. It's a new way of giving.
